The Institutional repository «SISSA DIGITAL LIBRARY» is accessible with your SISSA credentials.
1 – Make sure you choose «Personal view»

2 – Choose «Product» and «My Dspace» from the menu icon

3 – Click on the «New item» and you will start the submission of your PhD Thesis
1. In «Select collections»: choose PhD thesis from the drop-down menu.
2. Click on «Manual submission».
The archiving process consists of seven steps: (fill the related boxes and then click «Next»)

Fields marked with a green asterisk * are compulsory.

In the first step you have to report:

- The «Defense date»
- The «Title»
From the drop-down menu you have to choose:

«Language»
«Academic Year»
«PhD course»
«SISSA Areas»
«MIUR Areas»
«MIUR Academic disciplines»
«Publisher name» is SISSA
«Publisher country»
**Step 2 - Describe**

«**Abstract**»: select the language and you can paste your abstract

«**Keywords**»: select the language. The keywords have to be separated with a semicolon “;” followed by a space. Otherwise you can type one keyword at the time and click on +Add more button after each entry.
In «Step3» complete the fields related to you (the «author») and your Supervisor/s.

- **Author**
- **Internal supervisor/s**

If any, also report the External supervisor’s name.

Presence of international co-authors

(Number of authors)
Step 4: Upload

1 «Select a file»: select a PDF file to be uploaded from your folder

2 «Type»: select «thesis»

3 «Access policy»: select «Open Access»

If your thesis or a part of it is subjected to exclusive rights (patents, publication copyrights, etc.) or if other parties are involved, you can set up an «embargo term» (follow the next page)
1 «Access policy»: select «Embargo»

2 In the «Embargo» field: you can select the date from which the free-access to your work is allowed to anyone

3 «LoginMIUR website transfer»: select NO
This step allows you to verify the data you inserted. If you find any errors, you can modify them from here.
DSpace Distribution License

There is one last step: in order for DSpace to reproduce, translate and distribute your submission worldwide, your agreement to the following terms is necessary. Please take a moment to read the terms of this license, and click on one of the buttons at the bottom of the page. By clicking on the "Grant License" button, you indicate that you grant the following terms of the license.

Not granting the license will not delete your submission. Your item will remain in your "My DSpace" page. You can then either remove the submission from the system, or agree to the license later once any queries you might have are resolved.

Submission license

Lice for archiving in the "SISSA Digital Library", the SISSA's institutional repository, and related uses: Authorisation and exemption from liability clauses - approved by SISSA Senate and by the Board of Directors of SISSA on December 13, 2016.

The following definitions shall apply for the purposes and to the effects of the archiving of SISSA authors' work in the "SISSA Digital Library", the institutional open access digital repository:

Contribution of scientific literature (or contribution): the contribution that is the intellectual work which needs to be protected according to copyright law, the use of which is governed by this agreement, by the SISSA's regulation on open access, by the legal provisions on copyright, by publishing contracts signed between the author and the publishing house, and by the role of the SISSA in this process;

Work

Is the contribution in digital format archived in the research repository in one or in the following versions:

a. the editorial version: the final form of the publication's digital version which was published by the publisher;
b. the final peer-reviewed version: the final digital version that incorporates the results of the peer review process;
c. the open access version: is the form of publication in libre open access or free open access and is defined in the following manner:

1. Libre open access: the publication of a contribution accompanied by a free concession that is irrevocable and universal to all users with right of access to the contribution, the right to distribute it, transmit it and display it publicly and the right to produce and distribute the work derived from it in any format and for any purpose, subject to the authentic attribution of authorship, as

SDL requires your agreement to the non-exclusive license in compliance with the Senate deliberation
